Please send me the status report when it's ready for review. I believe DOI is planning to release the letter publicly in the next week or two.

**Subject:** DAVID: FOR REVEIW: Suggested Talking Points on DOI Solicitor Letter

David,

Tim, Mike, Lauren, Tod and I had a discussion this afternoon with Dave Carson at DOJ and some of our program clients about DOI's letter. An immediate need is how to respond to some incoming questions. We tee up the issue below and request your advice.

Region 1 program received a call this morning from the Houlton Band of Maliseets (one of the Northern Tribes and a party to the litigation) seeking information on the recently issued DOI clarification letter. The HBMI representative indicated that DOI had informed the tribe of the letter, though did not directly provide it with a copy. In addition, the Office of Water is hosting a tribal forum tomorrow during which there will be a discussion of tribal fishing rights and water quality standards. A representative from the Penobscot Nation will be participating in that discussion.

Also, Dave Carson is working on drafting a brief status report to file with the court in order to bring the letter to its attention. We hope to have the draft report to you for your review tomorrow.
